California Strawberry Growers' Scholarship Fund Golf Tournament

Thursday, October 7, 2010
Pajaro Valley Golf Club - Watsonville, CA

Join us for a day of fun while supporting the California Strawberry Growers' Scholarship Fund. This spring, the Fund awarded more than \$114,000 to 101 students – all children of strawberry farmworkers – to continue their college educations. Since the start of the Fund in 1995, more than \$780,000 has supported more than 532 students in their pursuit of education and training. The Fund helps put them on paths to professional positions, often returning to work in their home communities.
